Legal Help Is Just a Phone Call Away for Louisiana's Senior Citizens

Looking for legal information? Not sure of your rights? Now there is help for Louisiana Seniors and it is just a phone call away. Louisiana Senior Legal Aid (SLA) is a free* service through Louisiana Civil Justice Center that provides legal information to Louisiana Seniors. By calling (800) 310-7029, seniors can get help with family law problems, housing issues, disaster related issues and financial matters such as bankruptcy and social security. Senior Legal Aid can't assist with criminal problems, but they can answer questions about identity theft.

Trained intake specialists will answer the call and gather information on the problem. An attorney will evaluate the information and then call the senior back to assist with his or her problem. Senior Legal Aid can be reached Monday through Thursday from 10:00 am to 5:00 pm by calling (504) 355-0970 or (800) 310-7029. Additional information can be obtained by visiting www.laciviljustice.org. Assistance is also available for Spanish speaking callers.

What are you waiting for – get the legal help you have been looking for by making the call – it is toll-free – (800) 310-7029.
