Serving Seniors Successfully

Spring 2012

The month of May is celebrated nationwide as Older American's Month in honor of our older persons for all of their contributions to their families, communities, state and country. The Administration on Aging has set aside the theme "Never Too Old To Play" for Older American's Month 2012. To read President Obama's proclamation about Older American's Month, visit <http://www.whitehouse.gov/the-press-office/2012/05/01/presidential-proclamation-older-americans-month-2012>.
