#### SECTION 2: SELECTION OF RE-EMPLOYMENT OPTION

I elect the following option during the period of my re-employment after retirement. I will notify LASERS immediately if any condition of my re-employment changes. I understand that this option is irrevocable for the full period of my re-employment.

**OPTION 1A:** I elect to limit my earnings during each fiscal year to 50% of my annual retirement benefit (as adjusted by the Consumer Price Index). I may contact LASERS to request a calculation of the earnings limit for each fiscal year. I understand that the estimated earnings must be reported to LASERS at the beginning of the fiscal year and the actual earnings must be reported at the end of each fiscal year. It is my responsibility to monitor the actual earnings during the fiscal year to ensure that the earnings limit is not exceeded. I understand that if my earnings do exceed my earnings limit, my future retirement benefit will be reduced to the amount the earnings exceeded the limit. You should consider another option if your estimated earnings are expected to exceed the earnings limit.

OPTION 1B: I certify that I am at least 70 years of age and retired with at least 30 years of service credit (exclusive of converted leave) and I am exempt from any suspension or reduction of benefits.

OPTION 2: I elect to repay all retirement benefits received since the date of my retirement plus interest at the actuarial rate. This will restore my service credit, and I will return to active member status. (This option is not available to any retiree who participated in DROP, elected to retire with an Initial Benefit Option (IBO), or retired under an early retirement provision. The 20 years at any age actuarially reduced retirement is not an early retirement.)

**OPTION 3:** I elect to suspend my benefits during the period of my re-employment. Employee and employer contributions must be paid on the amount of my earnings and there is no limit on the amount of my earnings. If I work at least 36 months, a supplemental retirement benefit will be calculated based on this period of service and the average compensation. If I work less than 36 months, I will receive a refund of my contributions, without interest. When I subsequently retire, my suspended benefit will be restored.

#### SECTION 3: MEMBER SIGNATURE

I hereby certify that the employment information stated above is correct to the best of my knowledge. If I select Option 1A, I understand that it is my responsibility to monitor my earnings to ensure that I do not exceed the limitation. I understand that this choice is irrevocable for the full term of my re-employment.

#### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

#### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 and you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Expect to work only part of the year;

2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

3. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

# **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

#### Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3.	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a.	2a	\$
	<b>b</b> Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c

3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.	3	
4	<b>Divide</b> the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in <b>Step 4(c)</b> of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) — Deductions Worksheet (Keep for your records.)		Į.
1	Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter:	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$

# Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name	Employee ID#	
Employer Name	Employer ID#	

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

### Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

### **Government Pension Offset Provision**

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

Social Security publications and additional information, including information about exceptions to each provision, are available at <u>www.socialsecurity.gov</u>. John Bel Edwards Governor

The Office of State Uniform Payroll (OSUP) offers <u>active</u> employees the option to self-view and print their W-2 in Louisiana Employee On-Line Services (LEO) in lieu of receiving a paper W-2 form via the United States Postal Service (USPS). OSUP is reminding <u>active</u> employees who have not elected the self-view and print option, to do so by December 31.

If you are an active employee and have already opted to self-view and print your W-2, no action is needed. It is, however, recommended that you review your record in LEO, to ensure your election was recorded and saved for future calendar years.

Participation is optional for all active employees:

- If you are actively employed and wish to take advantage of the W-2 on-line self-view and print option you must provide consent in LEO by December 31. W-2s will be available in LEO for viewing and printing by <u>mid-January</u>.
- If you do not provide consent by the required deadline, you revoke your consent, or you do not wish to use this service you will continue to receive a paper W-2 Form through the USPS. All paper W-2 Forms will be mailed January 31 or the next business day if January 31 falls on a weekend.
- Once consent is given, it will remain for all future reporting periods unless you revoke the decision or separate from employment. To revoke your consent, you <u>must</u> do so in LEO by the December 31 deadline for the current reporting year.
- Employees who separate from state service do <u>not</u> have the option of receiving their W-2 on-line but will receive a paper W-2 through the USPS. Paper W-2 Forms will be mailed January 31 or the next business day if January 31 falls on a weekend.

### Participation is fast, easy and no cost to you:

- To provide consent, revoke consent, and view and print your W-2 you simply have to sign on to LEO using your active password. Follow the step-by-step guidelines provided to you in LEO.
- To view and print your W-2 you will need an internet connection, web browser, access to LEO with an active password and Adobe Acrobat software.
- There is no cost to you for this service; however, receiving your W-2 faster may give you a head start on completing your annual IRS tax filing and, if applicable, any refund may be received sooner.
- Once the W-2s are available in LEO (by mid-January), you may view and print your W-2 as often as needed at no cost to you.

# Overview

The State of Louisiana is entrusted with sensitive, proprietary and confidential information, including Protected Health Information (PHI), Federal Tax Information (FTI), Criminal Justice Information (CII), and Personally Identifiable Information (PII) and acknowledges that it should take steps to protect that information. One such step is to confirm that users of the State's information take responsibility for the protection and appropriate use of the State's information in accordance with the State's Information Security policies and procedures. Effective protection of such information requires the participation and support of every State employee, independent contractor and third party affiliate ("Users"). It is the responsibility of every User to acknowledge and follow the guidelines in this Policy.

## Purpose

The purpose of this Policy is to provide guidance for the acceptable use of computer equipment and information within an Agency. Inappropriate use exposes the State to risks such as data loss, data corruption, unplanned service outage, unauthorized access to Agency data, and potential legal issues.

# Applicability

This policy applies to all Users, including State employees, independent contractors and all other workers at an Agency, including all personnel affiliated with third parties. This policy applies to all computing systems, electronic media and printed materials that are utilized, owned, managed, or leased by an Agency or the Office of Technology Services (OTS).

# **General Requirements**

The State's resources may not be used for any unlawful purpose. If you have a question regarding the proper use of technical resources, contact the information Security Hotline toll free at (844) 692-8019.

Any personal device used in serving the interests of State, must be approved by applicable Agency leadership and the Information Security Team (IST).

Any data created or stored on Agency computing systems remains the property of the Agency. Any personal use of the Agency systems, including any documents or emails, are also the property of the Agency and the State makes no guarantee as to the confidentiality of personal use of Agency systems.

For security, compliance, and maintenance purposes, authorized personnel may monitor and audit Agency computing systems and networks per the State's policies and procedures and to confirm compliance.

Providing access to another individual, either deliberately or through failure to secure its access, is a violation of this Policy.

If you believe that you have been granted access to systems or data outside the scope of your employment responsibilities or job function, please contact the information Security Hotline toll free at (844) 692-8019.

# SEXUAL HARASSMENT NOTICE OF PERSONAL LIABILITY

Louisiana law requires government agencies to develop and implement policies and related training to prevent sexual harassment in the workplace. The prohibitions and requirements within these policies apply to all public servants -- employees, appointees and elected officials.

Louisiana's taxpayers have been financially burdened by judgments and settlements arising from claims of workplace sexual harassment. To reduce this impact, La. R.S. 42:351 et seq., enacted in the 2019 Regular Session (Act No. 413), declares that consideration be given to requiring that a public servant, once determined to have engaged in sexually inappropriate workplace behavior, personally reimburse all or a portion of any judgment or settlement resulting from such behavior. La. R.S. 42:353 sets forth the process and factors to be considered in making this determination, and authorizes the Attorney General to file suit against a public servant to enforce the state's right to reimbursement and indemnification.

Notice of this potential personal liability is disseminated by GOEA, along with our policy prohibiting sexual harassment, during orientation to every newly hired public servant. This notice also is disseminated, on an annual basis, to every existing GOEA employee. Reference to this potential personal liability also is included in the annual CPTP training on sexual harassment available through LEO.
